## ACCREDITATION

From the head coach to the athletes to the VIPs - in the accreditation office, you set the course for all participants and contributors by issuing of the event accreditations. You will support with data entry, the creation of passport photos and the production of accreditations. Ideally, you should be available a few days before the event.

## MEDICAL OPERATIONS

Certainly one of the more discreet, but also most versatile areas. In this role, you will support the anti-doping chaperones and assist the medical team carrying out doping controls, among other responsibilities. You will also support the team in the medical area.

## MEDIA OPERATIONS

Press representatives from all over the world are waiting for you. You will accompany the gymnasts to the mixed zone and ensure order in the media gallery. You will support the camera team in the TV production and look after the various media zones. If you want to take a look behind the scenes of the RG media landscape and like to be the one making things happen backstage, then this is the perfect place for you.

## EVENT TRANSPORT

Do you enjoy driving or would you be interested in supporting our Transportation Manager? Maybe you even know your way around Frankfurt well and want to navigate our officials, VIPs, referees or athletes safely through the city. Sounds exciting? We think so too!

## EVENT OPERATIONS

This is where you come in! Everything has to go according to plan in the Field of Play! You will support the processes during the competition and at the award ceremonies. You will be up close with the gymnasts and accompany them through the competition, from the first step towards the competition area to the Kiss and Cry zone. During the award ceremonies, you will assist the officials in handing over the medals to the new world champions.

## GUEST MANAGEMENT

This is where direct communication with all the athletes of the World Championships takes place. Would you like to welcome the gymnasts at the airport or in the hotels? Can you imagine being the first point of contact for participants at the Sports Info Desk in the venue? Do you want to take care of the training areas and thus ensure optimal competition preparation for the gymnasts? If so, then you've come to the right place in the Guest Management Team!

## LOGISTICS

Do you have an eye for detail and a professional appearance? Then our logistics team is the right place for you! You will oversee the entire venue including the Field of Play and ensure a clean appearance. You will assist with setup and dismantling or support with the venue dressing.

## SPECTATOR SERVICE

You ensure that our spectators experience the competition as a special event from the very beginning. You will welcome visitors at the entrance, scan tickets and be available to answer any questions. At the spectator entrances, you keep an eye on the Field of Play and support the spectator guidance.
